

Call for Scholarships for Completing a Doctoral Degree (PAS) 2017/2

At Technische Universität Berlin **six scholarships for completing a doctoral degree** are awarded to female early stage researchers **starting 1st November 2017**

- Especially in institutes in which women at the PhD level are underrepresented, or
- To doctoral candidates whose doctoral research focuses on gender research in natural, technical or engineering sciences

A maximum of two scholarships can be granted to PhD students in institutes in which the percentage of women is at 30% or more. The granting period is six months with an amount of 1000 € per month (+ 200 € per month for care-services may be granted). Application for a partial scholarship is possible.

Required application documents:

- Short written exposition regarding the dissertation (max. 2 pages)
- Work schedule and general timetable that clearly depicts that the dissertation can be finished within the funding period
- Curriculum vitae including details on care-taking tasks (children, relatives in need of care, and so on)
- Information on current financial situation including a short explication of current state of income
- Assessment by the supervisor
- Proof of membership at TU Berlin

Before the begin of the scholarship all awardees take part in a one-day introductory seminar on the topic of "Gender and Diversity Studies"

For further information please see the **guidelines for the granting of Scholarships for Completing a Doctoral Degree (PAS) by Technische Universität Berlin:**
